Hello Wichita State Innovation Alliance Board Members,

I'm writing a story about conflicts of interest and Innovation Campus, especially with regards to the developer MWCB LLC and WSIA. I would appreciate it very much if you would contact me today or tomorrow to discuss these matters and offer a response.

Due to the nature of some of the information I would like to discuss, I think it deserves a conversation that would be best held in person or over-the-phone, with email as a last resort. This story will print soon.

If you would like more information, or prefer to respond by email rather than in person or on the phone, respond.

I will be away from the office this evening, but if you would like to call my office phone, the number is listed below in my signature and I will contact you first thing in the morning tomorrow.

Thank you,

Chance Swaim

Subject: YMCA Farha Sport Centers: Strengthening our Community in 2017
Date: Wednesday, June 28, 2017 11:36:52 AM

Good morning!

This upcoming year is packed with excitement and plenty of events to promote your organization. With over 600,000 guest entering our Farha Sport Centers every year, now is an exceptional time to promote your business, while strengthening our community. Your financial impact empowers youth of all ages to play at the YMCA.

Would you consider sponsoring youth in Wichita this upcoming year? A sponsorship is a win for our Wichita families and your business.

If your organization has a desire to strengthen our Wichita community, contact me on how to achieve that through sponsorships with the YMCA Farha Sports Center.

Warmly,

Kris Wheeler
